## A Year In Review Compilation

**WellAge**  
SENIOR LIVING

### Words of wisdom from the WellAge communities.

**ANGELA HARRIS, ED, Arbor View Senior Living**

Oh the struggles of 2020, but with all those struggles come strength, compassion, togetherness from 6ft apart. At the community we have developed a stronger team because we came together to figure out how to get through stressful situations.

**DENA MACKEY, ED, Jackson Creek Senior Living**

"Life is like a roll of toilet paper. It may take a crisis to realize how valuable it is."

**JANICE DONALD, ED, The Lodge at Grand Junction**

When only a song will do:

"The sun'll come out tomorrow, bet your bottom dollar that tomorrow.".....

"After all, tomorrow is another day!"

**CRYSTAL GOODMAN, ED, The Lodge at Greeley**

Although the year has been challenging, it has made me reflect on what's truly important in my life. I'm more appreciative of the human spirit and what we're capable of accomplishing during hard times.

**MIKE LUCIANO, ED, Sopris Lodge at Carbondale**

Sopris Lodge at Carbondale was born in this crazy year, 2020... The year that proves; the most important things in life are disguised as hard work, sacrifice and passion.

Together as a team, through hard work, sacrifice and passion; we are unstoppable in making a positive impact on many families' lives during very difficult times.

**KEVIN PUTMAN, WellAge Senior Vice President**

Gratitude - Humility - Gratitude. During a time when a Pandemic gripped our fears (and ears) we were forced to make reverse steps within a newly defined humble perspective. As the head servant with WellAge I am grateful to our Vivage support family who have for years added to their daily task lists to assist and navigate WellAge to launch, grow and improve. WellAge is blessed to be opening Sopris Lodge in Carbondale. It is amazing and humbling to realize we have grown from operating only Arbor View AL / IL and Jackson Creek to operating (8) communities within a two year span, including a Pandemic. Moving forward, WellAge is positioned to potentially operate and or consult with 6 - 8 additional projects.

I am sincerely grateful for and humbled by our family of WellAge and Vivage teams providing their dedication and hard work.

## I truly appreciate you.

2020 has been a most challenging year. The events which have happened have left us unsettled, and questioning our world's future. It is especially important for me to convey my deepest gratitude and respect to each of you; it is an honor to know and support you. Each of you, day after day, week after week, month after month, have displayed-Resilience, Strength, Compassion and Sensitivity. We have all come together under difficult circumstances, as a team-to ensure the welfare of those who can no longer take care of themselves. You are a shining example to everyone of what our world needs-Goodness, Kindness, and Unwavering assistance for all. You teach us about your families, your goals, your dreams, and your challenges. "Our" success is a reflection of your unwavering passion in what you do, day in and day out. I am so very grateful to each of you.

May this holiday season bring healing and health to all. I wish you goodness, and the opportunity to reflect on the things that really matter. Tell those you care about how much you really appreciate them. My wish is that each of you know how much I truly appreciate you.

**JAY MOSKOWITZ, President, Chief Executive Officer**

### Looking Forward

As we come to the close of another year, I like to look behind me at 2020 and how far we've come. It will go down in my mind as probably one of the most transformative years of my life, personally and professionally. But, I also like to look forward to how much more there is to come. The feeling of a restart, refresh, if I so choose to accept it that way. As we are well into the 2020 Holiday Season, I hope you take a moment for yourself to pause and just be in the moment.

Reflect at what is, what will be and what is yet to come. We too will take a moment to pause and shift. May this season and throughout the New Year bring you peace and stillness. Looking forward to seeing you all in February. Stay safe and well my Friends. Wishing you and yours peace and goodwill this season.
